If the marks secured in the Final Written Examination are also the same then seniority has been determined by their age. The candidate older in age has ranked above the others in the merit list.

In case of same date of birth, the principle of determining seniority has been decided by the Board.

Note 2 : The list has been prepared on merit basis that is if a candidate scores higher or equal to the cutoff score of UR candidates he/she has been recommended under UR category irrespective of his/her social category provided that he/she has not availed age relaxation or reservation benefit being a candidate of a particular social category.
